

## RUBRIC • Molecular Geometry

---

Failure to print out the rubric, with your name and instructor's signature upon it, and attach the cover page to the front of your laboratory report, will result in your report receiving a zero grade for this experiment.

Student name: Max Stetter

Instructor signature: DAB

Category	Possible points	Earned points
<b>Results (75) (1 point per molecule)</b>		
Lewis structures	15	
Electronic geometry	15	
Hybridization	15	
Molecular geometry	15	
Bond angles	15	
<b>Total lab report points</b>	<b>75</b>	
Pre-lab	25	
<b>TOTAL POINTS</b>	<b>100</b>
