

RUBRIC • Aqueous Solutions

Failure to upload the rubric to Canvas, with your name and instructor's signature on it, will result in receiving a zero grade for this experiment.

Student name: Max Stetter

Instructor signature: DAI

Category	Possible points	Earned points
Title Page (2)		
Title, your name, your lab partner's name, date of experiment	2	
Procedure (14)		
One full paragraph	5	
Includes all chemicals and concentrations	5	
Repeatable	4	
Results (51) MUST BE TYPED		
Observations for each equation	11.5	
Correct balanced/molecular equations	11.5	
Correct ionic equations with proper super- and subscripts	11.5	
Net ionic equations agree with observations	11.5	
Proper states in equations (subscripts)	5	
Miscellaneous (5)		
Uses correct English (no pronouns, spelling, grammar, etc.)	5	
Total lab report points	75	
Pre-lab	25	
TOTAL POINTS	100
